Additionally, they will join the other ten classes that achieved attendance rates exceeding 96% in collecting their 'Popcorn Tokens.'

The whole school attendance was over 97.4% - this is an outstanding figure and helps to promote a school culture that we are proud of.

Celebrating Success!

We are thrilled to share some fantastic news about our school attendance! As you know, we are committed to fostering a culture where every day counts, and our Popcorn Token initiative is a fun and exciting way to recognize and celebrate excellent attendance.

Popcorn Tokens are awarded to classes who achieve over 96% attendance for the week, and we are delighted to announce that some classes have already earned their **6th Popcorn Token**! This is an incredible achievement and shows the dedication of our pupils, parents, and carers in ensuring children are in school and ready to learn each day.

Your efforts mean you are now one step closer to your well-deserved popcorn party!

Attendance plays such a vital role in every child's education, and this initiative is a brilliant way to reward our pupils for their commitment to being present and engaged. Thank you to all families for supporting this goal by encouraging consistent attendance and ensuring any absences are kept to a minimum.
