A huge congratulations to both **1P** and **4R** who achieved a perfect 100% attendance last week! They will share the attendance trophy and a big well done to each class who achieved over 96% : they have all won a **Popcorn Token** which will count towards their end of half term treat!

Popcorn Tokens: A Fun Way to Celebrate Attendance!

At our school, we believe in celebrating dedication and consistency. That's why we've re-introduced **Popcorn Tokens** —a special way to say "Well done!" to classes with excellent attendance. If your class' attendance exceeds 96% in a week, you earn a Popcorn Token. Pretty exciting, right?

The Weekly Attendance Cup

Each week, the class with the highest attendance wins the Weekly Attendance Cup! It's a fantastic achievement, and a great motivator for everyone to come to school every day.

The Half-Termly Cup

But that's not all! Over a longer period, we also have the Half-Termly Attendance Cup, which rewards the class with the best attendance across the whole half-term. This gives everyone even more reasons to aim high and come to school regularly!

The Exciting Part: Popcorn & Movie Treats

Here's where it gets even more fun! When your class collects **6 Popcorn Tokens**, you earn a special treat: a movie day with yummy popcorn! It's our way of saying thank you for working hard, showing up, and being part of our amazing school community.

Why Attendance Matters

Remember, being in school each day is important not just for your learning, but for building friendships and growing together. Every day you come to school, you're contributing to your class's success.

So, let's keep up the fantastic work and aim for more classes to win Popcorn Tokens and the attendance cups. Attending school is not only important, but it's also a lot of fun!
