Incredible job by 1BT, clinching the top spot with an impressive 100% attendance! An amazing nine classes surpassed our school target of 96%, contributing to an overall school average of 95.6%. As a reward, 1BT will be honoured with the attendance trophy when we return and everyone who achieved over 96% will receive 'Lollypop tokens' for their outstanding efforts.

Keep up the good work, Holmer!

This week, we have had the pleasure of celebrating outstanding attendance across the school. We were thrilled to see that 3S earnt enough lollypop tokens to ensure that they had some extra time outside with a lolly pop to celebrate their achievements. The enthusiasm and dedication to being in school displayed by these students is truly commendable, showcasing their commitment to their education and their school community.

The smiles on the faces of our Year 3 students as they proudly hold their trophies and Lollypop Tokens are a testament to their joy in being at school. They've demonstrated that coming to Holmer Academy isn't just about fulfilling a legal requirement but it is an opportunity to connect with friends, engage in enriching lessons and embrace the joy of learning. Their enthusiasm for school is infectious, reminding us all of the magic that happens within our school walls each day.

Every house reached at least 96% attendance—our whole school target!

House attendance since September

Wye	96.92%	Greyfriars	96.36%
Eign	96.33%	Victoria	96.88%

But our celebrations don't stop with individual classes! We believe in recognising and rewarding excellence in attendance throughout the school. That's why we're excited to announce that Wye house had the highest attendance over the course of the year! They have earnt some extra house points which will go towards the end of term competition which will be announced on Thursday. No doubt it will be as close as ever ; every point counts!
