

ATTENDANCE MATTERS

What was your child's class attendance looking like last

Attendance: week beginning 9th June

RB	99.7% ★	RP	98.9%
1P	96.7%	1PM	96%
2A	99.3%	2P	95%
3J	98.7%	3S	98.7%
4P	99.2%	4R	98.8%
5EH	98.1%	5PH	99.4%
6D	98.1%	6TP	98.1%

Incredible job by RB who clinched the top spot with a near-perfect 99.7% attendance! A record 13 classes surpassed our school target of 96%.

As a reward, RB will be honoured with the attendance trophy and everyone who achieved over 96% will receive 'Lollypop tokens' for their outstanding efforts. Keep up the good work, Holmer!

Let's make school attendance a top priority!

Regular school attendance is vital for developing crucial skills and paving the way for future achievements. If you're ever in doubt about sending your child to school, rest assured that we prioritise your child's well-being and can determine if they need to go home during the day.

Being at school offers numerous advantages, from academic improvement to enhancing social skills, self-esteem and confidence. Missing out on these opportunities is something we aim to prevent.

Claire Robins, CEO of the Scholars' Education Trust, emphasises the importance of daily attendance not only for academic progress but also for the enriching experiences like school plays, sports events, and collaborative learning with peers. Even if a child feels unwell in the morning, engaging activities with teachers and friends often help them forget their ailments by the end of the day.

If your child is absent or you anticipate their absence, please contact the school office at 01432 273301 and inform our office team. We will work together to facilitate a quick return to school.

Let's make sure every day is filled with learning, happiness, and growth!

ATTENDANCE MATTERS

All day. Every day.

EVERY time you are late
EVERY time you leave early
EVERY time you are absent

EVERY MINUTE COUNTS
towards reading at age expectation.

ONE DAY → ONE WEEK → ONE MONTH → ONE YEAR

15 MINUTES = 1.25 HOURS = 1 DAY = 8 DAYS

ONE DAY → ONE WEEK → ONE MONTH → ONE YEAR

30 MINUTES = 2.5 HOURS = 2 DAYS = 16 DAYS

Every minute counts!
