

Wednesday 16th January 2019

Dear Parents,

Welcome back to 2019! How time flies. Holmer Academy had a very successful Autumn Term. Many of you will have seen on the Twitter page that we were listed in The Sunday times top 500 Primary Schools, achieving 310 place out of 20,925 Primary schools. The Performance Tables for Primary Schools were published in December. A link is available on the school website and once again we were delighted with the attainment and progress of our pupils. Alongside academic success, our children were commended by members of the general public on every single trip or visit they made outside of school last term, on their exemplary conduct and behaviour, something we are incredibly proud of.

However, we recognise none of this could have been achieved without the partnership and collaboration between home and school. At Holmer C of E Academy, we believe our partnership with Parents is one of the key aspects that enables our children to experience an excellent education in a safe and caring environment and make outstanding progress, preparing them to fulfil their future dreams and ambitions.

Each year we ask for your feedback to help us ensure that we are continuing to offer the very best education. We would therefore be grateful if you could take a few moments to log on to the following link and complete the questionnaire.

Thank you for your continued support and we look forward to working with you to make 2019 an outstanding year for our children.

Yours faithfully,

Jayne Maund
