

Every time you are the last to leave the room, turn off lights and screens

Conserve energy by shutting doors - remember it's good to be green

Off with the all taps - we should never waste water!

Cycle or walk to school if safe - you really know you ought to

Our world is OUR future - be an ecological disciple

Don't be a litter bug - reduce, reuse recycle!

Encourage wildlife by respecting their homes
and always remembering our Eco-Code
