

Suggested Reading Books for children in Year 3

Holmer C of E Academy values the importance of reading to equip children with necessary skills for life. Our staff have selected several core texts that each year group will become very familiar with throughout their time at our school. If you wish to support your child with the breadth of reading for pleasure then please feel free to read these books at home with your children. Reading can be enjoyed and shared, taking in turns to read aloud and being read to. We hope that these book lists might play a part in a birthday, Christmas or general “book treat” purchases. Thank you for your support.
