

English Long Term Plan 2023 - 2024

Supplemented by Super Six Story Spine, class reads and texts for foundation subjects

At Holmer C of E Academy, all staff are determined that every pupil will learn to read regardless of their background, needs or abilities, with the aim to develop a love of reading in every child. Every classroom uses good quality texts (such as those from the Power of Reading) to create inspiring reading and writing based lessons. As well as the carefully chosen books below, children are exposed to a wide range of texts, including stories from different cultures, poems, rhymes, and non-fiction. Story time takes place daily in every classroom to develop enthusiastic and reflective readers, through contact with challenging and substantial texts.
