

Service Families Point of Contact

Dear Parents

Our records indicate that your child, who is registered at our setting has a parent who is a current fulltime, serving member of the Armed Forces.

As you will be aware the Government provides schools with service child premium. Within our setting we have successfully implemented forest school sessions as an extra activity for these families within Key Stage 2 and plan on continuing this activity in the near future. This is an ideal small group nurture setting led by our Forest school practitioner Miss Jones. It is aimed to be a relaxed and fun activity in which the children benefit from a range of activities. Within Early Years and Key Stage 1 bespoke support is given to children as required.

Alongside this we would also like to acknowledge that at times many children with serving parents may face additional challenges and difficult times. They may benefit from pastoral support for their emotional well-being.

We are aware that the forces offer welfare services but we would also like to jointly offer support.

Therefore, I would like to introduce myself as a point of contact for you and also your child.

Many of you will have met me before as I work within school fulltime providing Child and Family pastoral support and safeguarding for the wider school. I can be contacted on the details below.

If you have any concerns or worries please don't hesitate to get in touch and I will do my very best to help.

Kind regards

Rachel Anderson
Student & Family Support Manager
