

Service Families Letter – Summer 2024

Dear Parents

Firstly, I would like to say, 'thank you' to those of you who have attended the 'informal' **Coffee & Cake** sessions we have put on through the year. They are a really nice way for us, as staff to chat with you in a relaxed environment and just get to know you all better.

We will continue these sessions next academic year, look out for the dates – you are very welcome to pop along.

In honour of **Armed Forces Day** in June, we are holding a special day for **All** service children who attend Holmer, we have also invited service children from Stretton & Credenhill to join us.

The aim for the day is for us to collaborate with a joint sense of purpose & pride and celebrate our connections with the armed forces. The children love being together so I am sure it will be a great day!

This will be held on **Friday 14th June**. We will provide workshops ranging from craft & singing to an assault course!

The children need to come to school as normal they will need a packed lunch on that day as we plan to picnic with our new friends from the other schools.

Holmers Little Troopers

We are thrilled that the club has been a hit! The children have bonded, made new friendships and just have a relaxed fun time being together- which is exactly the purpose.

We are also looking to continue Troopers next academic year so hopefully any new service children can join us.

We now have a page on our website specifically for our Service Families – please look, I hope you will find some helpful information on there <https://www.holmerceacademy.co.uk/service-families/>

As always, if we can assist with any other concerns or you just want to notify us of any changes/deployments please don't hesitate to contact me randerson@holmer.hereford.sch.uk or Mrs Keating at akeating@holmer.hereford.sch.uk

Best Wishes

Rachel Anderson
