

Wednesday 3rd September

Dear Parents and Carers,

**Open Classrooms (Years 1–6)
Monday 8th September, 3:30pm – 5:00pm**

Welcome back to a new school year. We hope you had a wonderful summer break, enjoyed the sunshine and are feeling refreshed and ready for the exciting year ahead.

We would like to invite you to our *Open Classrooms* event on Monday 8th September. At the end of the school day, you will have the opportunity to visit your child's new classroom, meet their class teacher, and see the learning environment they will be working in this year. Your child will be able to show you around and there will be time for you to ask the teacher any questions you may have.

Early next week, you will also receive a copy of the school calendar. All letters and dates will be available on the school website and additional events will be added throughout the year as plans are confirmed.

You may also have noticed recent improvements to the school site. The flood wall around the EYFS area has now been completed, drainage work across the site has been carried out, and the culvert outside the back gate has been upgraded. We are currently awaiting Department for Education approval for the installation of additional flood gates. These measures will further strengthen our flood resilience and help to protect the school buildings in the event of heavy rainfall. We are optimistic that this year will remain calm and unaffected by flooding.

We look forward to welcoming you on Monday and to working together with you and your children throughout the year.

Kind regards,

Jayne Maund
