6P will receive the attendance trophy this week as a reward for their fantastic effort. And remember, every class has the chance to earn 'Popcorn tokens' for excellent attendance—so let's keep showing up and making every day count!

Keep up the fantastic work, Holmer! Your dedication is truly inspiring.

Let's make school attendance a top priority!

Ensuring your child attends school regularly is paramount for their development and future achievements. If you ever hesitate about sending your child to school, rest assured that we have their best interests at heart. We're equipped to recognise signs they may need to return home during the day.

The benefits of regular attendance are plentiful, from academic progress to nurturing social skills, self-esteem, and confidence. We strive to avoid any missed opportunities for these essential experiences.

There are more benefits to attending school than just academic success. It's also about embracing enriching experiences like school plays, sports days, and learning with friends. Even if a child feels unwell in the morning, the engaging activities often lead to forgetting ailments by the end of the day.

Should your child be absent or expected to be away from school, please contact the school office at [01432 273301](tel:01432 273301). Together, we'll ensure a swift return to learning.

Let's make every day a day of learning, joy, and growth!

Did you know your child's best learning time is the start of the school day?

That's when every minute counts the most!!
