

# ATTENDANCE MATTERS

What was your child's class attendance looking like last week?

Attendance: week beginning 29th September			
RB	98.2%	RR	93.7%
1A	97.9%	1CP 	99.6%
2P	97.9%	2TW	98%
3J	96.7%	3S	95%
4H	99%	4P	97.3%
5H	95.2%	5R	97.7%
6D	98.4%	6P	98.1%

A fantastic effort from 1CP who have achieved 99.6% attendance this week! They will be awarded the attendance trophy this week to celebrate their success. They will also collect their 'Popcorn tokens' together with every class who achieved over 96%. Well done to everyone who contributed to the whole school percentage of 97.3%.

### Why does punctuality matter?

We wanted to remind you how awesome it is when your child makes it to school every day and right on time. Being a bit late can be a bit tricky for them and mess up the beginning of their day, so let's try to avoid that if we can.

Did you know that just 10 minutes late to school every day adds up to a massive 33 hours of missed learning in a whole year? We want to make sure your children get all the opportunities they deserve!

So, if you could make sure your child arrives at school before the registers close at 8:50 AM, that would be great! If you're running a tad late (we know what the traffic can be like...) - just swing by the office to sign them in. These rules help us keep track of everyone and make sure everyone is safe in case of an emergency.

Just a quick reminder: late marks after the register closes are noted as unauthorised. Let's team up to make sure every day is a great day for learning and fun!

If your child is absent from school, or you expect them to be off school, please contact the school office on 01432 273301 and inform the office team; we will work together to ensure a quick return to school.

## LATENESS

How much time can you lose?

IN ONE SCHOOL YEAR

**5 minutes**  
late each day

**= 3**  
days off

" Inspiring us all to create a better world "

Matthew 5:13-15 "You are the salt of the earth... you are the light of the world."
