

Key Stage 2 Clubs Autumn Term 2026

Monday 7th September

Dear Parents/Carers,

We are delighted to be able to offer an extensive and exciting range of clubs and activities for our pupils this term. We have worked hard to provide a wide variety of opportunities that cater for different interests, talents and passions, and we hope there will be something for every child to enjoy.

As we anticipate a high level of interest in our clubs, we have made an important change to the booking process to ensure that it is as fair and accessible as possible for everyone.

On **Tuesday 8th September**, the booking system will go live at **6:00pm until 10am the next day**, and initially, each child in Key Stage 2 will be able to book **one place in one club only**. We ask that you use this opportunity to book your child's favourite club — the one they would most like to attend. The booking will close at **10am the next day**.

Then, on **Wednesday 9th September**, the booking will re-open at **6:00pm** for you to book a second club of your choice before closing at 10am the next day.

On **Thursday 10th September**, the booking will re-open for you to book a third club for your child if you wish, 6pm-10am.

Although the system may allow you to book more than one club, we ask that you **only** select one initially, and this will be closely monitored. Anyone who books more than one club on the first opportunity will be removed from one of the registers which may result in your child losing a place at their preferred activity.

By limiting bookings to one club initially, we aim to give every family a fair and equal opportunity to secure a place, rather than allowing some children to fill multiple spaces before others have had the chance to book. We believe this approach will help ensure that as many children as possible are able to participate in a club they are genuinely excited about.

Clubs will start the week beginning **Monday 21st September** and will run for **10 weeks**, before finishing on **Friday 4th December**. If your child signs up for a club there is an expectation that they will attend. Please talk to your child and help them to select the club that they are most interested in before booking that one first. **Please do**

not sign your child up for a club they have no interest in. Staff run clubs voluntarily. A register is taken and to ensure your child is safe, if they do not attend club as expected, we will contact you.

Please email the school office if they will be missing a week for any reason. **Places are limited so please only book if your child is going to attend to prevent another child from missing out.**

Booking is via Arbor. **Once the allocated places on a club are full you will no longer be able to book on.** The clubs running in the Autumn Term for Key Stage 2 children are:
